

General Courthouse Plaza School Bus Information: Information is available on our website, www.springcelebration.org/maps. All buses and equipment vehicles are to arrive and depart from the Courthouse side of Hamilton Street. Parking meters will be hooded, prohibiting regular parking, but is available for unloading and loading only. This is not a parking area. Overflow parking is available in the city owned parking lot on Romeo B Garret Ave. Maps will be provided on site.

From time to time schools have a short performance and one bus may be able to remain for a short period. If this does occur, we ask that the **driver remain with the bus** in the event the bus needs to be moved. This allows for the safe unloading of another school. Due to the constant arrival and departure of busses we ask that drivers always remain at the loading area. Thank you for your understanding.

Do not enter the plaza driveway on Adams Street; it is a secured area.

We provide up-to-date information on our website for any site or time changes due to weather. This year we have made changes to the cancellation policy.* Watch our website www.springcelebration.org or our Facebook page www.facebook.com/ArtsSpringCelebration for any changes the morning of your performance. We will not cancel the night before a schools performance. The school may cancel if they feel it if they need to cancel the night prior for any reason.

Email at MWatkinsGMBArts@gmail.com with any questions, concerns. I look forward to working with each of you to make this Spring Celebration another huge success!
